Plett's Home Builders

Floor Plan Options

Whether you prefer a cozy cottage feel, a modern open-concept design, or a classic single-story home, our team is dedicated to bringing your vision to life. Our catalog includes a variety of options, featuring accessible single-level layouts perfect for ease of movement and comfortable living. Each plan is thoughtfully designed to maximize space and functionality while maintaining aesthetic appeal. We pride ourselves on our flexibility and commitment to creating homes that truly reflect the unique needs and styles of our clients. Each floor plan is fully customizable, as well you can come to us with your own floor plan be it a sketch or drawing, and we can work with you on that!

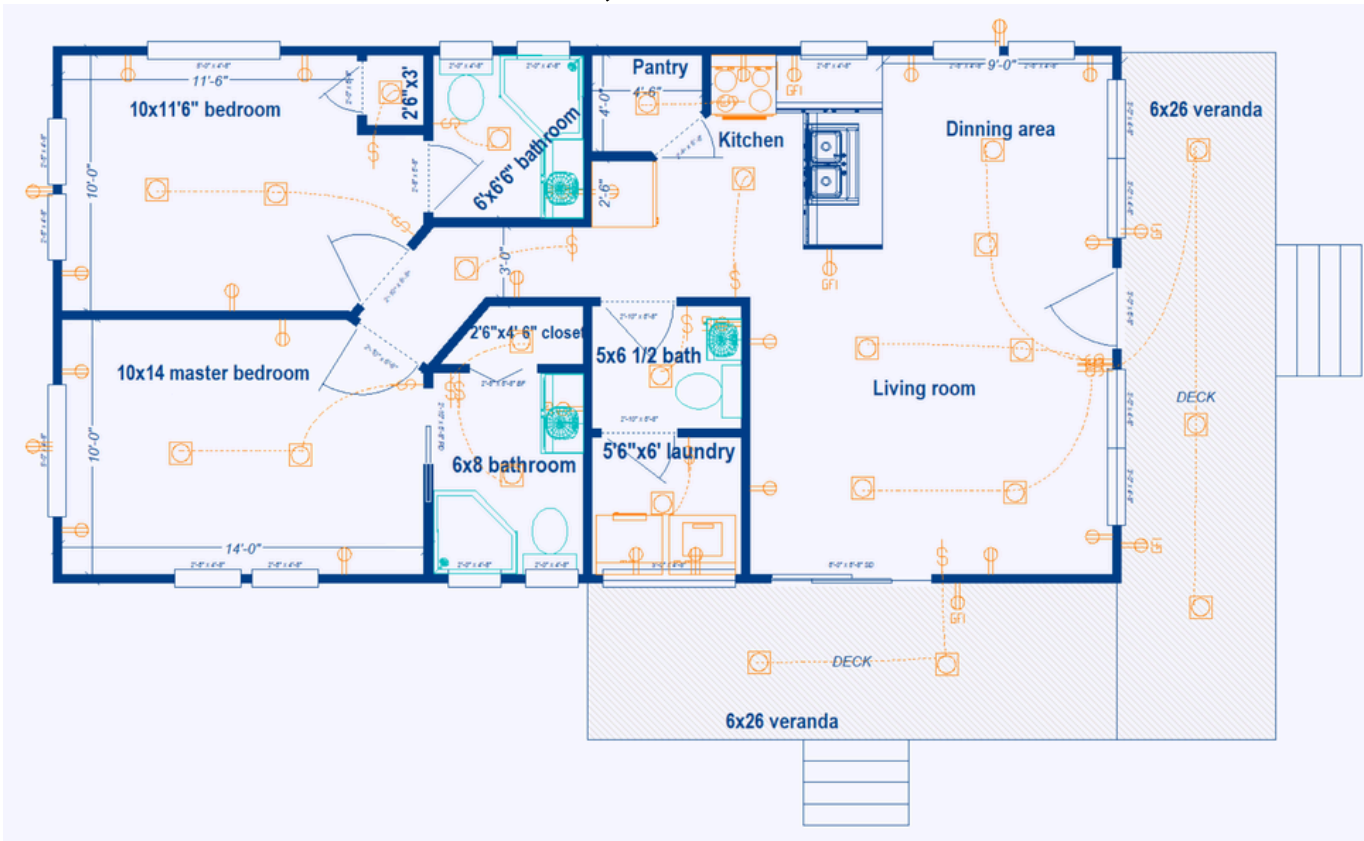

The largest house we can deliver is a 20x40, for a larger house we can also join 2 houses together after delivery in any shape you would like (L, T, U, , or any other shape)

Let us help you turn your dream home into a reality.

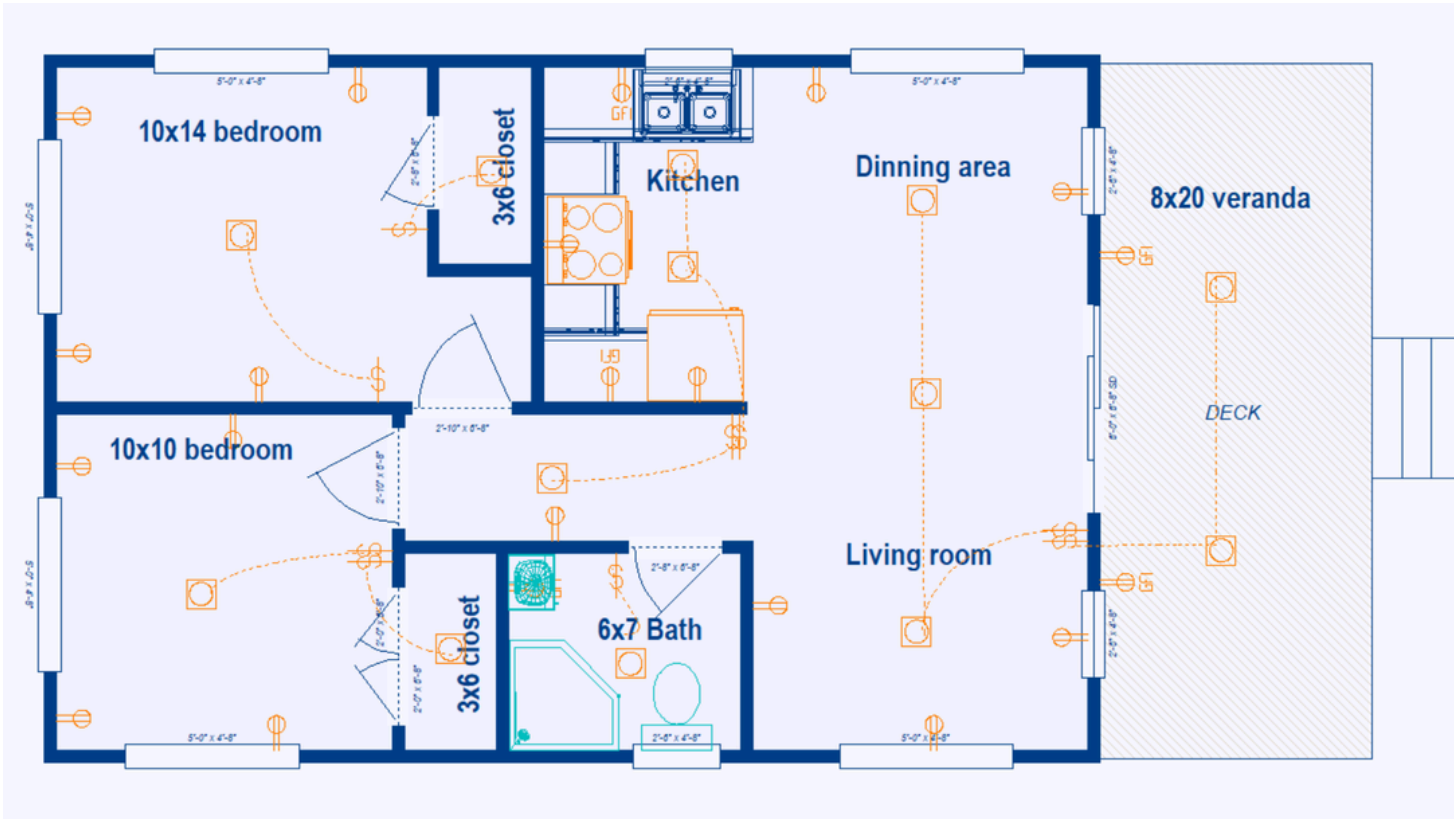

We build to suit your needs
